### **FALL NATURAL BUILDING INTERNSHIP**

*Internship Dates: July 15<sup>th</sup>, 2015 -December 15<sup>th</sup>, 2015*

*Number Of Open Positions: 3*

*Application Deadline: Open until filled*

*Minimum Age Requirement: 18*

*Community Rebuilds is a non-profit organization in Moab, Utah. Our mission is to build energy efficient housing, provide education on sustainability and to improve the housing conditions of the workforce through an affordable program.*

*The Fall semester will consist of building two straw bale homes simultaneously in Moab, Utah from foundation to finish. In this 5-month program students will learn about natural building including straw bale walls, earthen plasters, adobe floors, solar photovoltaics and permaculture.*
