

# What are your desired outcomes for a Utah ELP?

**Save the world!!!!**

Understanding of environmental concepts

**Destigmatizing, depoliticizing "environmental"**

**Inspire connections between the outdoors and environmental stewardship**

**make every community feel like they have a stake in the health of the environment and that the outdoors is not just for wealthy white people**

**Collect real world data!**

**Translate knowledge into action to improve the environment**

# What are your desired key topic areas or areas of focus for the ELP?

**Diversity and inclusion**

**Biodiversity**

**Foundational knowledge of science and scientific process**

**Careers in the sciences**

**Politics and economics**

**Climate Change**

**Local to global scale**

**How life responds to a changing climate**

**STEAM**

**Understanding local ecosystem, past, present, etc. and how they function**

**How to be a steward of the environment**

**individual stewardship**

**related careers**

# What information about your region of the state should be included in an ELP?

**Make it relevant to local environments**

**local or regional environmental challenges that are present or could be faced**

**growth planning (transportation, housing, green space, air quality, water quality/use, tourism, etc.)**

**Charismatic animals for each region**

**Locally relevant - urban vs rural, forest vs desert,**

**Water quality and quantity**

**Great Salt Lake ecosystem AMAZING and UNIQUE**

**balancing economic growth with conservation and sustainability**

**Diversity, different ecosystems from desert to alpine and impacts of Utah's population growing**

**Include tribes across Utah - wisdom, insights, etc.**

We want to ensure this process is inclusive. Who else should we reach out to? Where possible, provide contact info.

**tribal  
input**

Health  
Departments

Utah State  
University Water  
Quality Extension  
(Hope) but also  
others at USU that  
do research relating  
to these fields  
(QCNR, Humanities,  
etc.)

**REDO**

Citizens  
Climate  
Lobby

Utah Arts Alliance!  
sky@utaharts.org

center for biological  
diversity, national  
parks conservation  
association, etc

**school  
district  
science  
staff**

Trout Unlimited Paul  
Burnett  
Paul.Burnett@tu.org

**consider  
reaching out  
to local or  
state political  
leaders**

**Salty  
Sirens of  
the GSLI**

Some states have ELPs, some have Environmental Literacy & Natural Resource Plans.  
What are your ideas for what Utah's ELP should be called, if any?

**Outdoor, Natural  
Resources, Wildlife  
(stay away from  
ENVIRONMENTAL)**

**Conservation**

**Earth  
stewardship**
