

What are your desired outcomes for a Utah ELP?

**Accessibility,
inclusion**

**Accuracy of
information
and
consistency**

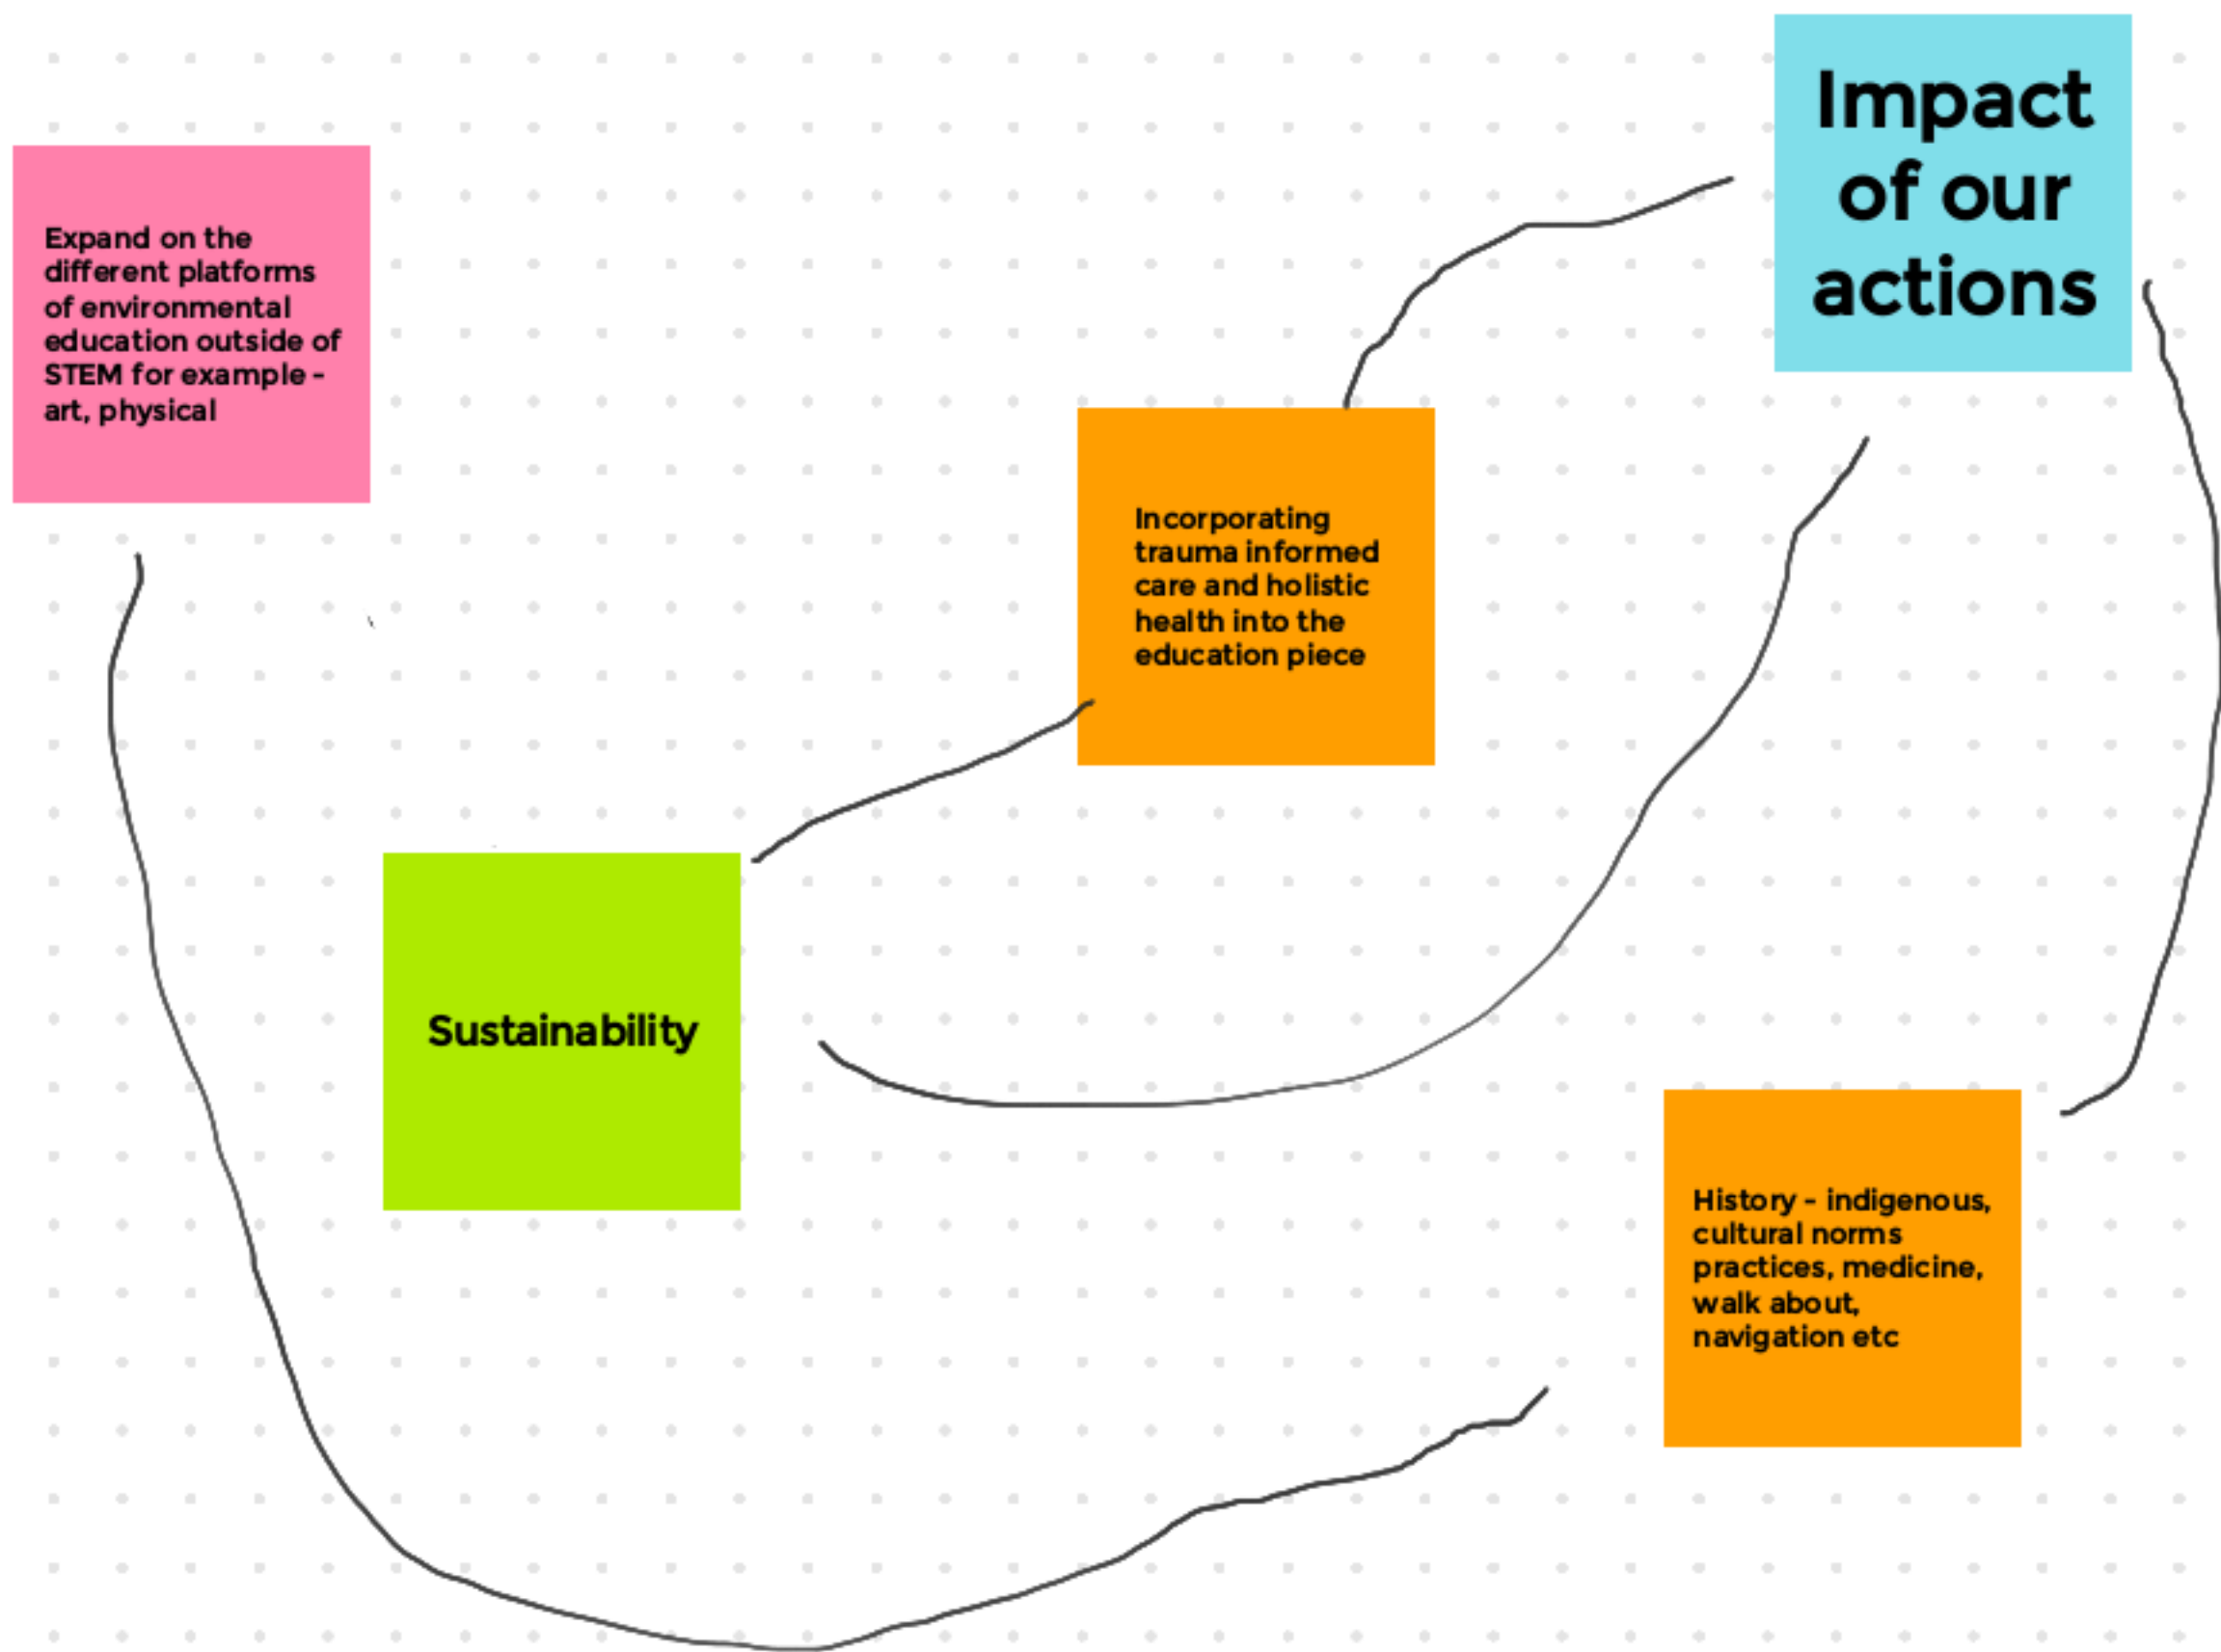

**Create a EL
community.**

**Leveraging
each other's
assets.**

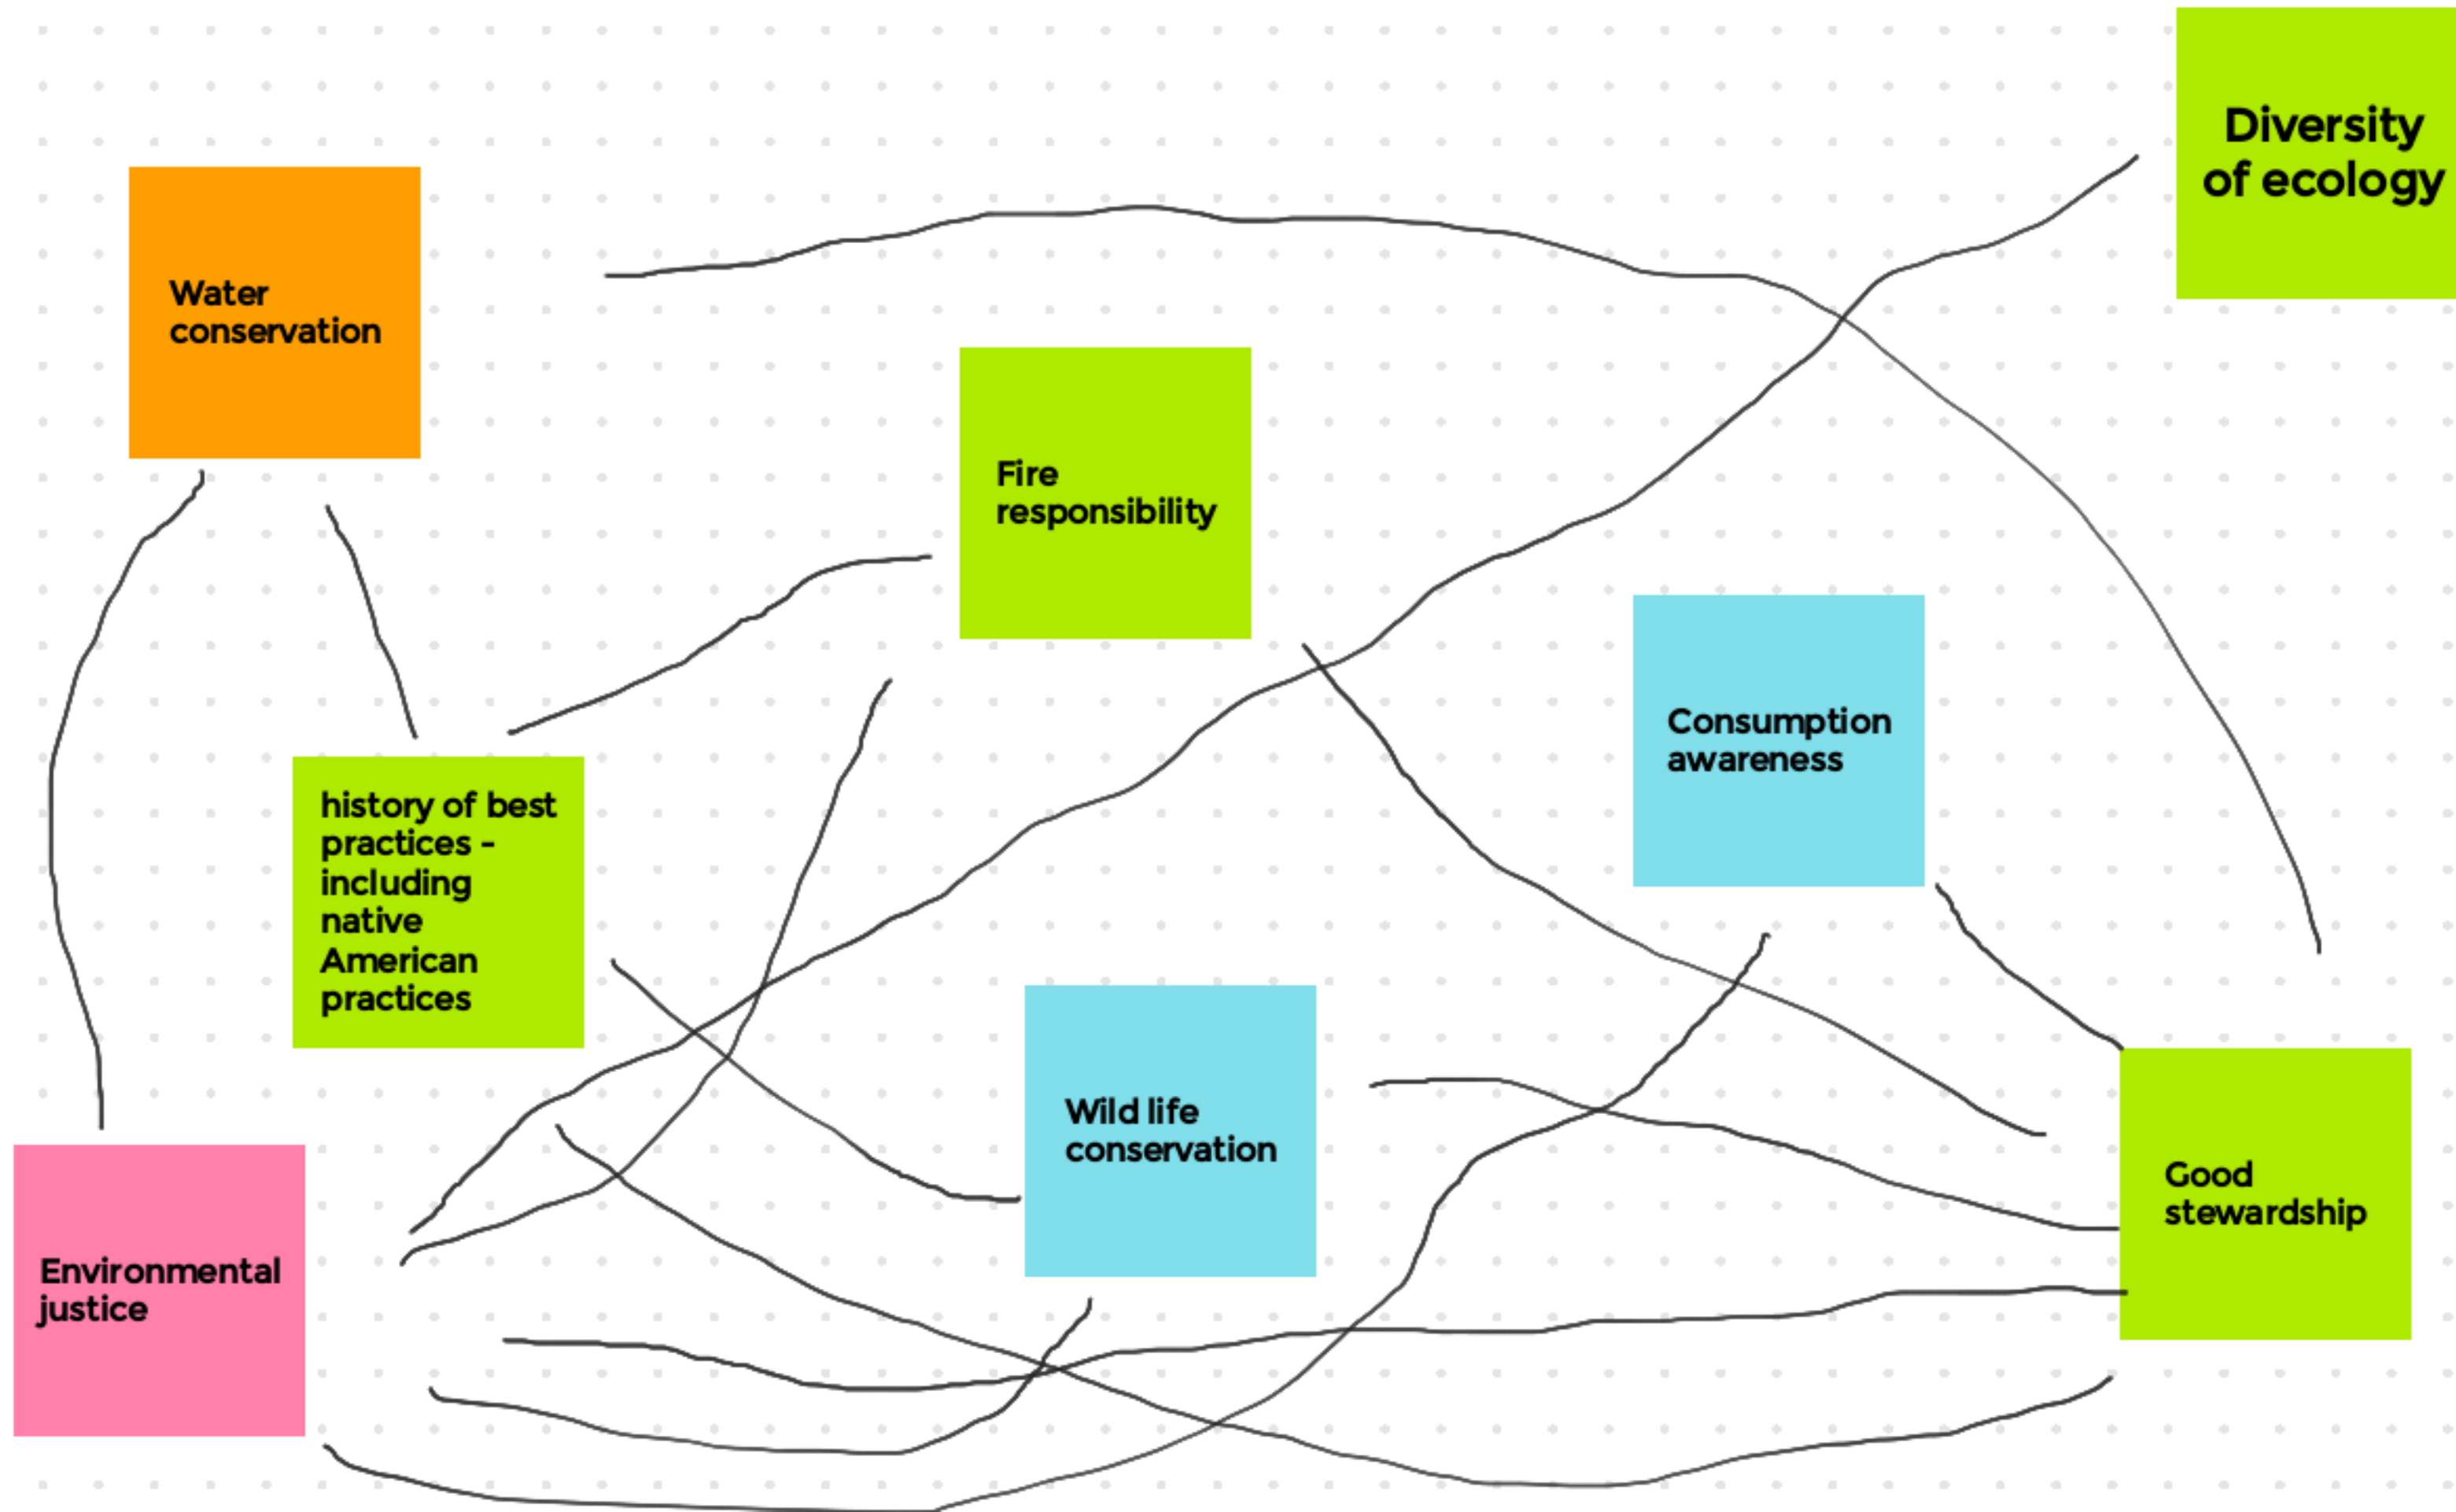

**Engaging,
interactive,
interesting
delivery of the
content**

**Diversity
of
delivery.**

What are your desired key topic areas or areas of focus for the ELP?

What information about your region of the state should be included in an ELP?

**Water
conservation**

**Diversity
of ecology**

**Fire
responsibility**

**Consumption
awareness**

**history of best
practices -
including native
American
practices**

**Wild life
conservation**

**Good
stewardship**

**Environmental
justice**

We want to ensure this process is inclusive. Who else should we reach out to? Where possible, provide contact info.

Some states have ELPs, some have Environmental Literacy & Natural Resource Plans.
What are your ideas for what Utah's ELP should be called, if any?

**Minimize
acronyms**

Look at words that
resonate with the
public. The Nature
Conservancy did a
study on what word
work for
engagement.
